Guests are enjoying our newly renovated town home...

"We really enjoyed our time in your commodious townhouse. My husband raves about the excellent view of Blackcomb Mountain from your bright and cheery living-dining room and kitchen area. The two bedrooms with ensuites were totally quiet being on the top floor in the corner unit. While inside, we didn't see the activity of the restaurants and stores nearby or the free Whistler shuttle to the slopes which are just steps away. We felt so happy, secure and cozy especially since there are no windows on the ground floor. Thanks for letting us stay in your Whistler home." J and C, a Vancouver, BC, family.
